## West Coast Thunder Athlete Supporter

**The West Coast Men's & Mixed Netball Association would like to offer you the opportunity to support our Athletes.**

West Coast Men's & Mixed Netball Association send athletes to compete in the Men's & Mixed national championships, hosted by the Australian Men's & Mixed Netball Association (AMMNA). The 2022 competition is to be held in Adelaide, with the 2023 competition to be hosted in Perth. Game Fixtures and Results will be on the West Coast Men's & Mixed Netball Association website; [www.wcommna.com.au](http://www.wcommna.com.au).

There are considerable costs for the athletes involved in participating in this Competition and financial support of an Individual Athlete will assist them to pursue their Netball Pathway. We welcome you to come along and support your athlete at our pre-and post-season events!

Please find our packages available to support one of our athletes below, or we are more than happy to tailor a package to suit, so please feel free to contact us at [admin@wcommna.com.au](mailto:admin@wcommna.com.au).
